

Student Announcement September 27th 2016

Trimester 8 Students

Dear Students

Those former “Semester” students who are progressing from Trimester 7 to Trimester 8 in September 2016 will have an abridged final year to compensate for those initial weeks of study at the beginning of their programme.

The Heads of Department have met to discuss a way forward that will allow for earlier achievement this year whilst at the same time not disadvantage the student groups.

As a result the following Trimester 8 / 9 schedule will apply for this year:

Trimester 8 12 weeks duration

Trimester 9 6 weeks duration (maximum)

It is expected that All Trimester 8 students will complete their studies inclusive of their Bachelor Thesis by the end of January 2017.

To start the Bachelor Thesis process an initial meeting will be held in the Auditorium on Thursday 29th September 2016 at 13:00, where Mr Bahaaeldin will introduce the process.
